In the Matter of

**CERTAIN INK CARTRIDGES AND
COMPONENT PARTS THEREOF**

Investigation No. 337-TA-565

SEIZURE AND FORFEITURE ORDER

The U.S. Bureau of Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain ink cartridges and component parts thereof covered by a general exclusion order and/or a limited exclusion order attempted to import the articles into the United States; (ii) Customs denied entry of the articles into the United States by reason of a final exclusion order; and (iii) upon such denial of entry, the Secretary of the Treasury provided the owner, importer, or consignee of the articles (or the agent of such person) with written notice of the aforesaid exclusion orders and the fact that seizure and forfeiture would result from any further attempt to import the article into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the article would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby ORDERED:

1. Ink Cartridges and Component Parts Thereof that are imported in violation of the general exclusion order and/or the limited exclusion order issued in the above-captioned investigation are to be seized and forfeited to the United States, if imported by the following firm: Ninestar Technology Co. LTD, 19895 Harrison Ave., Walnut, CA 91789.
- 2 The Secretary shall serve copies of this order on the Secretary of the Treasury; U.S. Customs and Border Protection, Washington, D.C.; U.S. Customs and

Border Protection, Long Beach, California 90802; the firm listed in paragraph 1 above; and counsel for the complainant in Inv. No. 337-TA-565.

For the Commission.

Marilyn R. Abbott
Secretary
