UNITED STATES INTERNATIONAL TRADE COMMISSION
Washington, DC

**In the Matter of
CERTAIN INK CARTRIDGES AND
COMPONENT PARTS THEREOF**

Investigation No. 337-TA-565

SEIZURE AND FORFEITURE ORDER

The U.S. Bureau of Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain ink cartridges covered by a general exclusion order attempted to import the articles into the United States; (ii) Customs denied entry of the articles into the United States by reason of a final exclusion order; and (iii) upon such denial of entry, the Secretary of the Treasury provided the owner, importer, or consignee of the articles (or the agent of such person) with written notice of the aforesaid exclusion order and the fact that seizure and forfeiture would result from any further attempt to import the article into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the article would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby ORDERED:

1. Ink Cartridges that are imported in violation of the general exclusion order issued in the above-captioned investigation are to be seized and forfeited to the United States, if imported by the following firm: Steve Park E-Commerce, 11862 Saint Mark St., Garden Grove, CA 92845, or any affiliated companies, parents, subsidiaries, or other related business entities, or any of their successors or assigns.
