**SEIZURE AND FORFEITURE ORDER**

The U.S. Bureau of Customs and Border Protection (“Customs”) has informed the Commission that (i) the owner, importer or consignee (or the agent of such person) of certain ink cartridges, and/or inkjet ink supplies and components thereof, covered by general exclusion orders attempted to import the articles into the United States; (ii) Customs denied entry of the articles into the United States by reason of the general exclusion orders; and (iii) upon such denial of entry, Customs provided the owner, importer, or consignee of the articles (or the agent of such person) with written notice of the aforesaid exclusion orders and the fact that seizure and forfeiture would result from any further attempt to import the article into the United States. The Commission having determined, based on these and other documents provided by Customs, that the issuance of a seizure and forfeiture order concerning the article would be appropriate pursuant to section 337(i) of the Tariff Act of 1930 (19 U.S.C. § 1337(i)), it is hereby

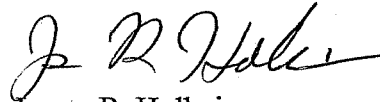

**ORDERED:**

1. Ink cartridges, and/or InkJet ink supplies and components thereof, that are imported in violation of the general exclusion orders issued in the above-

captioned investigations are to be seized and forfeited to the United States, if imported by the following firm: Nano Ink Spot, 650 North State Street, Lake Oswego, Oregon 97034, or any affiliated companies, parents, subsidiaries, or other related business entities, or any of their successors or assigns.

- 2 The Secretary shall serve copies of this order on the Secretary of the Treasury; U.S. Customs and Border Protection, Washington, D.C.; U.S. Customs and Border Protection, Seattle, Washington 98104-1020; the firm listed in paragraph 1 above; and counsel for the complainants in Inv. Nos. 337-TA-565, 337-TA-691.

For the Commission.
